Dear Harold, 4-5-95

Hope you have a good birthday. I am looking forward to seeing Never Again! in the bookstores. I am sure Bill's visit will be a welcome occasion. Wish I could be there.

Dennis and I will certainly stop by in Aug. when we give our paper at that conference in D.C.

Regards to Lillian.

Best,
Gerry

On this day this little note
Comes warmly to express,
The friendly way
You're always wished
The best of happiness.
